\*All package pricing requires a minimum of a 2-year agreement unless otherwise noted. Prices are subject to change without prior notice and do not include taxes and surcharges. Internet service available in fiber-ready locations only. Above packages apply to Endeavor residential customers only. Actual internet speeds may vary where available and are not guaranteed. Early termination fees apply for all packages. Maintenance plans do not cover damage caused by lightning, storms, fire, flood, earthquake, vandalism, acts of God, gross negligence or willful damage. Technicians will not make repairs in areas containing hazardous materials or deemed an unsafe space. Technicians reserve the right to reroute the wire and jack to a different location if existing area is not accessible. Replacement jacks will be white or ivory in color. No loaner or temporary equipment will be provided. A \$250 fee will be charged for router equipment not returned at the time of agreement termination. All internet connections require wireless router fee.
