ELECTRIC VEHICLES

HPC Tesla to Serve as Pace Car in Lucas Oil Races

In an effort to educate our members on electric vehicles and their performance, HPC team members will be hitting the track with our Tesla Model 3!

Hendricks Power will participate in various races, including Thursday Night Thunder, Open Wheel Opening Day, and Championship Saturday. In addition, HPC members can purchase discounted tickets to these events and more, including the Camping World Truck Series, Circle City Twin 100s, NHRA Nationals, along with camping, parking, and pit passes.

Thursday Night Thunder Homecoming - June 30

This night will feature the third points race in the National Pavement Midget Championship, Champion Sprint Cars, and the exclusive USAC Silver Crown Shootout.

Open Wheel Opening Day - August 1

Enjoy the National Pavement Midget Championship race and the Sprint car tour. Admission to this event is free, so come on out and enjoy the races!

Championship Saturday - October 22

Championship Saturday will feature three unique season-finales for the USAC Silver Crown National Championship, National Pavement Midget Championship, and Sprint Cars – all in one day!

For full details of racing events and to find discounted tickets, visit www.hendrickspower.com/LucasOil. We will also be giving away tickets on our Facebook page, so be sure to "Like" and follow us! See you at the track!

HPC Announces 2022 Scholarship Winners

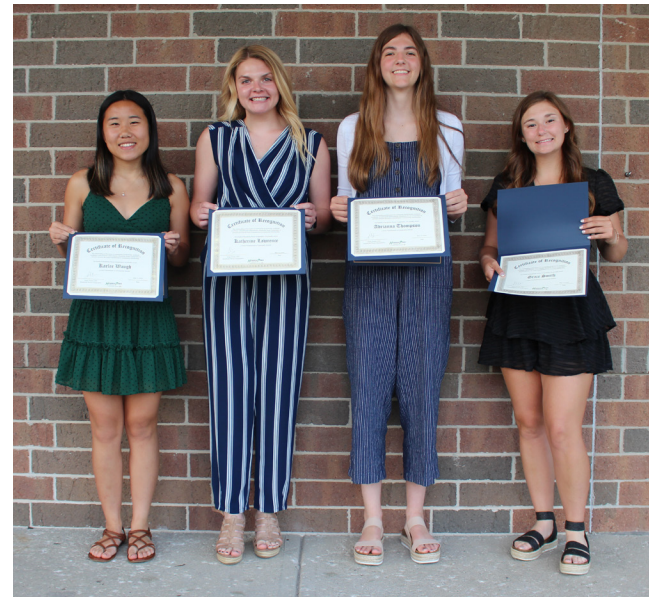

Hendricks Power Cooperative recently announced the winners of the 2022 Commitment to Community Scholarship program. Over 75 member applications were received from graduating students.

The scholarship recipients are as follows: **Benjamin Huff**, Green-castle High School, **Katherine Lawrence**, Danville High School, **Grace Smith**, Avon High School, **Adrianna Thompson**, Tri-West High School, **Lilly Vittetow**, South Putnam High School, and **Karlee Waugh**, Plainfield High School.

Each student will be awarded a \$1500 scholarship to be used towards continuing education at the college or vocational school of their choice. These six students have excelled academically and were selected based on their personal achievements, application essays, and other criteria.

Hendricks Power hosted a dinner on May 17, 2022 to recognize these students and present them with certificates celebrating their achievements. "We really look forward to the awards dinner," said Emily Hammell, Marketing Communications Manager at Hendricks Power. "It gives us an opportunity to become better acquainted with the students and their families. We enjoy hearing about their future plans and seeing their enthusiasm towards this next step in life."

Good Luck and Congratulations to all of our 2022 graduating seniors!

FINANCIAL NEWS

INDIANA'S ELECTRIC COOPERATIVES ADVOCATE FOR YOU

BEGINNING JULY 1, CONSUMERS WILL NO LONGER PAY THE UTILITY RECEIPTS TAX.

This tax elimination will annually put an estimated \$28.5 million back in the pockets of 1.3 million Hoosiers served by the state's 38 electric cooperatives. Hendricks Power consumers alone will save an estimated \$1.4 million annually from the repeal of this tax. This was made possible because of the efforts of Indiana's electric cooperatives advocating for their consumer-members and negotiating with the Indiana General Assembly to repeal this tax, ultimately saving money for each and every electric cooperative member across Indiana.

You will see this tax credited back to you on the August bill for July energy use.

This will be reflected in the Power Cost Adjustment line item of your bill.

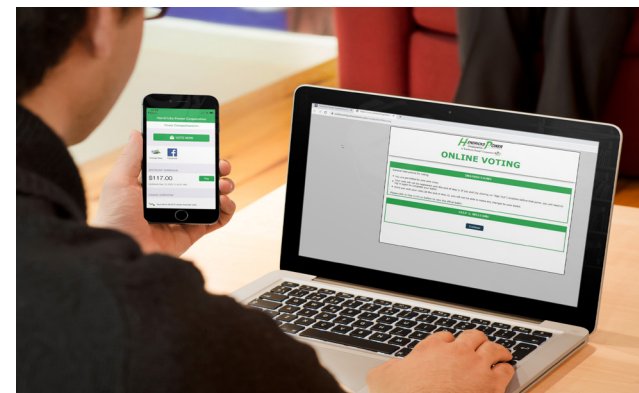

There is no action you need to take.

save the date! 2022 ANNUAL MEETING *July 21, 2022*

HENDRICKS COUNTY 4-H FAIRGROUNDS

Mark your calendars for this year's annual meeting! The annual meeting and member appreciation event will take place at the Hendricks Co. 4-H Fairgrounds on Thursday, July 21, 2022, from 11 am to 8 pm. The event will feature many member favorites, including Silly Safaris, electric vehicle demonstrations, an electrical safety demonstration, balloon animals, face painting, and voting for our Board of Directors. Members who register to vote will receive \$10 in fair bucks to use at any food vendor and will also be entered to win one of five (5) \$500 energy credits.

The election results will be announced at the business portion of our meeting at 6:30 pm. Election results will also be streamed on our Facebook and YouTube pages.

ONLINE VOTING *July 1-20*

Members will be able to vote on their computer or mobile device in SmartHub for a chance to win one of five (5) \$500 bill credits. If you need assistance voting or enrolling for SmartHub, visit us online at <https://bit.ly/3vHycUw> or call us at (317) 745-5473.

ENERGY EFFICIENCY

Energy Efficiency Tip of the Month

If you're considering smart technology in your home, smart plugs may be a good start! Smart plugs are inexpensive and can be controlled through your smart phone or desktop computer. Smart plugs allow you to conveniently manage your lighting, home office equipment, video game systems, and more. Plus, they will help you save energy!
