

CAN IT WAIT 'TIL 8 PM?

Did you know you can save money on your bill by waiting until 8 pm* to use energy?

Turn over for money-saving tips & tricks to make the new rate work for you.

Your Touchstone Energy® Partner

**on non-holiday week nights*

DO THIS, NOT THAT!

Starting this month, On Peak times are changing to 5-8 pm on week nights. Before 5 pm and after 8 pm, rates are significantly lower - nearly 50 percent less! When you can, waiting until 8 pm can really pay off. Here are a few easy changes:

INSTEAD OF:

Starting laundry when everyone gets home

Adjusting your thermostat when you get home

Starting the dishes right after dinner

Showering immediately after dinner

TRY:

Waiting until after 8 pm

Pre-heating or cooling your home prior to 5 pm

Scheduling your dishwasher to start after 11 pm

Showering right before getting into bed
