

NEW TIME OF USE RATES

To better reflect the wholesale power cost of electricity, Hendricks Power will be implementing a new Time of Use rate structure on May statements.

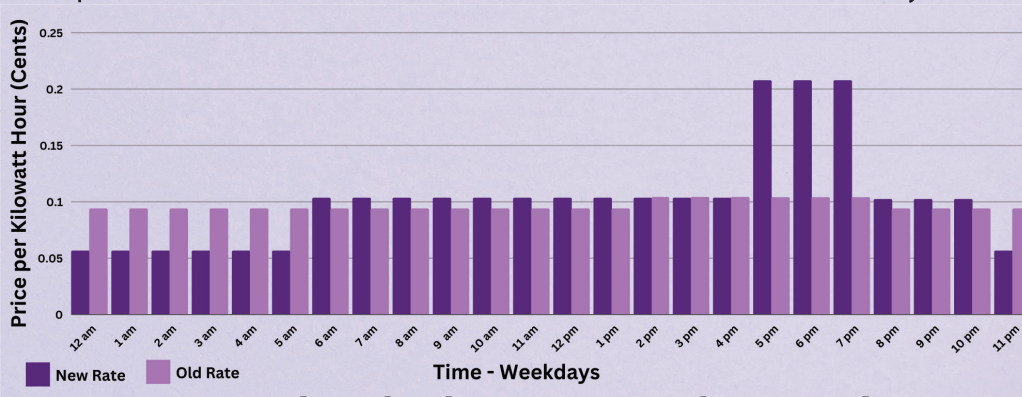

A Touchstone Energy® Cooperative 

ON, OFF, AND SUPER OFF PEAK RATES

Beginning with April's usage, Hendricks Power will be implementing a new rate structure. The new rate will offer On Peak, Off Peak, and Super Off Peak rates. This new structure better reflects the cost of power from the wholesale provider and allows members more control over their electricity cost.
