

HOLIDAY FOOD PREP

INGREDIENTS FOR SAFETY

KEEP YOUR FAMILY SAFE DURING THESE JOYFUL TIMES BY LEARNING SOME BASIC HOLIDAY FOOD PREPARATION SAFETY TIPS BEFORE YOU START COOKING.

Protect your home and family from fire hazards by installing smoke alarms in every bedroom, outside each sleeping area, and on every level of the home.

Unattended cooking equipment is the leading cause of home cooking fires. Always be sure someone takes over the preparation when needed.

While cooking, it's easy to forget about something in the oven, especially when you're entertaining guests. Use a kitchen timer to make sure your dish doesn't burn.

Always locate appliances away from the sink to avoid any electrical dangers. Plug countertop appliances into Ground Fault Circuit Interrupter (GFCI)-protected outlets and keep cords away from hot surfaces like toasters.
