ELECTRIC VEHICLES

HPC Tesla to Participate in Lucas Oil Races

In an effort to educate our members on electric vehicles and their performance, HPC energy advisors Steve Hite and Nick Dombrosky will be hitting the track with our Tesla Model 3!

Beginning in June, we will be participating in a variety of races, including two Wild Wednesdays, Thursday Night Thunder, and the Hoosier Classic. In addition, HPC members will be able to purchase discounted tickets to these events and more, including the Carb Night Classic, SRX Independence Showdown, CRA Fall Brawl, and NHRA Nationals, along with camping, parking, and pit passes.

June 9 & July 14

Come on out and see if you can keep up! This is your chance
to have your street-legal vehicle go head-to-head against the
Tesla. Learn more: <https://bit.ly/3tOh9yp>.

June 17

Our Tesla will be the official pace car for the Thursday Night
Thunder. This year's event will feature Jeff Gordon and offer
sprint and midget races.

August 13 - 14

Our Tesla will be the official pace car for this exciting annual
event. Friday, August 13 will feature sprint cars and Saturday,
August 14 will feature midgets and the USAC Silver Crown
Series.

Facebook page, so be sure to "Like" and follow us! See you at the track!

Commitment to Community Scholarship Winners Announced

Winners from left to right: Emily Burns, Grace Elmore, Abigail Lynch, Allison Schimpf, Chase Searcy, and Grace Timm

Hendricks Power Cooperative is proud to support and offer opportunities for local youth, including our annual Commitment to Community scholarships for local high school students. Commitment to Community is a cooperative principle and we believe that supporting education and leadership development programs for our youth can make a lasting impact. This year's winners were selected based on community involvement, academic excellence, and personal achievements.

Each scholarship winner will be awarded \$1,500 scholarship to be used towards continuing education at the college or vocational school of their choice.

The scholarship recipients are as follows: Abigail Lynch, Brownsburg High School, Allison Schimpf (Greencastle High School), Chase Searcy (Cascade High School), Emily Burns (Plainfield High School), Grace Elmore (North Putnam High School), and Grace Timm (North Putnam High School).

Hendricks Power hosted a dinner on May 3 to recognize these students and present them with certificates celebrating their achievements. "We always look forward to the awards dinner," said Emily Hammell, Marketing Communications Manager at Hendricks Power. "It gives us an opportunity to become better acquainted with the students and

their families. We enjoy hearing about their future plans and seeing their enthusiasm towards this next step in life."

Learn more about our 2021 winners and on our Facebook page and website!

If you would like more information about our Commitment to Community Scholarships, visit our website at www.hendrickspower.com. Applications for the class of 2022 will be available January 1, 2022.

2021 ANNUAL MEETING SAVE THE DATE! JULY 22, 2021

This year's annual meeting welcomes new additions and voting accessibility options for our members. To best accommodate our members, we will now be offering online voting through SmartHub, drive-thru voting at South Putnam High School and our Hendricks Power office, and our traditional day-of voting at our annual meeting. Those who participate will receive a \$10 energy credit and will also be entered to win one of five (5) \$500 energy credits. The business portion of our meeting will take place in the air-conditioned Hendricks Power Expo Hall at the Hendricks Co. 4-H Fair. The meeting will be streamed live and a recording will be available.

ONLINE VOTING

July 1-15

Members will be able to vote on their computer or mobile device in SmartHub for a \$10 bill credit and a chance to win one of five \$500 bill credits. If you need assistance voting or enrolling for SmartHub, visit us online at <https://bit.ly/3vHycUw> or call our office at (317) 745-5473.

DRIVE-THRU VOTING

ENERGY EFFICIENCY

Energy Efficiency Tip of the Month

A dirty air filter causes your HVAC system to work harder than necessary. Remember to change your air filter every month (or every two months) to prevent dust buildup, which can lead to bigger problems!

REBATES

When everybody's using electricity during the hottest days of the year, costs can go up. But with a Wi-Fi thermostat and a little help from our **PowerShift Wi-Fi Thermostat Program**, we make tiny temperature adjustments that save everyone money when electricity is most expensive. Plus, **PowerShift Wi-Fi Thermostat Program** members earn a **\$50 energy credit** at the time of enrollment and **\$25** for each additional remaining year in the program.

Who knew a little shift could pay off so big? Learn more about the PowerShift Wi-Fi Thermostat Program and eligible Wi-Fi thermostats at powermoves.com/powershift.
