

OUR DIRECTORS MAKE A DIFFERENCE

Areas 1, 2 and 3 up for election in 2019

As a cooperative, Hendricks Power is guided by an elected board of directors who represent its members' best interest when making important decisions.

Directors have a role in the development of governance policies and monitoring service levels and financial condition of the cooperative by making decisions on rates, construction plans, strategies and operating policies. They must stay up-to-date on industry trends, legislative actions and other pertinent issues affecting Hendricks Power.

Directors serve three-year terms and have monthly board meetings.

If you reside in area 1, 2 or 3 and are interested in being considered for the board of directors, please contact our office at (317) 745-5473 for more information.

Our board is a democratically elected body - members have the opportunity to vote for board candidates each year at the annual meeting.

This year, the Annual Meeting is July 18 at the Hendricks County 4-H Fair.

Cooperative Principle #2

DEMOCRATIC MEMBER CONTROL

Cooperatives are democratic organizations controlled by their members - those who buy the goods or use the services of the cooperative - who actively participate in setting policies and making decisions.
