OPERATION ROUND-UP

What is Operation Round-Up?

Operation Round-Up is a voluntary fundraising program that allows members to “round up” their bill to the nearest dollar amount. The extra change (never more than 99 cents!) is used to benefit the community. The funds collected are donated to local charities and non profits in the Hendricks Power service area.

How are donations distributed?

Local nonprofits and charities apply on our website for donations and our Hendricks Power Advisory Board distributes the funds back into the community – to the places that need it most.

How do I sign up for Operation Round Up?

Easy! You can sign up on our website, www.hendrickspower.com/roundup, on SmartHub, or by giving us a call at (317) 745-5473. Call us if you have any additional questions!
